

Webinar Replay & Chat Room Contents August 6, 2019

A free benefit of being a member in the International Speaker Network is to be able to attend these monthly webinars - including getting to hear expert speakers from around the world!

August 2019 we heard from Katrina Sawa on 8 Secrets to a Consistent Money-Making Business.

Besides the topic at hand we had mastermind discussions around social networking and some of the newest trends on how to attain paying clients from your social profiles, messaging and groups.

We also talked about how to find corporate connections to approach for speaking and training opportunities including a few websites you'll want to go to, to help you narrow down your search.

We got to know a few of our members, what they're up to AND... everyone who showed up live got the opportunity to share their free offers, gifts and websites so you might want to take a look and see what goodies you can gleam from them!
